

## Workshop & Plant Visit “Integration of FlashPhos into the cement industry”

7. May 2025 | 9:00 – 16:30 CEST | Dyckerhoff Infozentrum & Online

Biebricher Straße 68, 65203 Wiesbaden

### AGENDA

- 9:00 Registration & Get-together
- 9:15 Welcome & General Introduction (Marcus Paul, Dyckerhoff)
- 9:30 Introduction to FlashPhos (Christian Schmidberger, Universität Stuttgart)  
*Topic: FlashPhos concept, in particular connected to cement host plant opportunities*
- 10:15 Presentation Dyckerhoff (Marcus Paul, Dyckerhoff)  
*Topic: Phosphorous recovery and systemic extended value chains  
- Cement and concrete additives industry*
- 10:45 Coffee Break
- 11:15 Presentation ATEC (Sabrina Frühauf, ATEC)  
*Topic: Plant engineering - How design and engineering can support towards sustainability;  
Role of ATEC in FlashPhos and in other projects*
- 11:45 Presentation VDZ (VDZ)  
*Topic: FlashPhos impact on cement industry process; Role of VDZ in FlashPhos;  
Cement industry overview and future opportunities*
- 12:15 Lunch Break
- 13:30 **Site Visit:** Plant Tour
- 15:00 Expert Panel Discussion & Knowledge Exchange  
*Preliminary: Phosphorous industry (ITALMATCH), Cement industry (VDZ, Dyckerhoff),  
Engineering and Development (ATEC, MIT)*
- 16:00 Open Discussion
- 16:30 Final Remarks & Farewell (Marcus Paul, Dyckerhoff)

This event is jointly organized by:
